Calling all Green Fingers

Can you spare an hour a week to water the local hanging baskets? How about sharing a few seedlings in a Community Garden? We'd love to support a green army of volunteers to brighten up our villages over the summer months. Please email or come along to the next DCCC meeting to get involved.

Extra Buses on the Route

Through the efforts of DCCC members an additional two Lockerbie buses have been added to the timetable. The 117 Dumfries to Lockerbie now picks up in Dalton and Carrutherstown on a Tuesday and Saturday. See McCalls timetable for details.

Roads Update

Conversations are ongoing with Dumfries and Galloway Council regarding the condition of our roads and patching is taking place but we encourage the whole community to continue to report issues through the Council website.

Spring Clean in the Community

DCCC invite the whole community to join them for a community litter pick on 22/03/2026 as part of the wider Spring Clean Scotland campaign. We will meet at both Dalton Village Hall and Carrutherstown Primary School at 10am. Lets see how much of a difference we can make in a couple of hours!

Funding Applications Encouraged

We are encouraging applications from individuals and groups who would like funding for community projects. Please complete the short funding application form, email it to us and we'll be back in touch for more information.
